This amendment shall extend the CALNET 2 – MSA 1 Contract between the State of California and AT&T for a period of two (2) years.

Original Term: 01/30/2007 – 01/29/2016  
 New Term: 01/30/2007 – 01/29/2018

This amendment incorporates the following changes:

1. CALNET 2 services will only be available for those services that are not available on CALNET 3.
  - a. CALNET 2 services that become available on CALNET 3 following January 29, 2016, will continue to be available under CALNET 2 for a reasonable transition period to be determined and mutually agreed upon by the State and AT&T.
  - b. Per Exhibit A-2, Section 8 and Exhibit A-6, Section 7, the Contractor and the State have the ability to amend the terms and conditions of the Contract, thereby effecting the terms of existing Authorizations to Order (ATO). As such, after January 29, 2016, CALNET 2 services currently available on CALNET 3 are no longer available to existing CALNET 2 ATO customers receiving these services as these services are no longer valid offerings on any existing ATO agreement. The expiration of these services is consistent with AT&T's and the CALNET Programs' previous communications provided to these ATO customers.
